WE ENCOURAGE you & your family to participate in the annual celebration of the restoration of the veneration of icons in the Holy Orthodox Church of Christ!

BRING your favourite icon to travel with around the city in a triumphant procession of icons along **ANTHONY HENDAY DRIVE** (travelling south & east, then back to the church)!

ARRIVE at the church for 6:30 PM & join His Grace in a brief service of prayer, including a special petition for protection & release from the COVID-19 pandemic!

RETURN to the church, following the auto-procession, where the celebration will conclude with the reading of the Synodikon, the dismissal & blessing from Vladyka!

Begin the fast in the joyous company of our Bishop, our clergy & brethren-in-the-Faith!

Even in the shadow of pandemic – we can share the light of Christ, declaring His truth, as it has been received and transmitted in the Orthodox Christian Faith!
